

**Avi8Cando, Inc.**  
**11<sup>th</sup> Annual Aviation Conference**

Avi8Cando is a 501 (c)(3) Public Benefit Corporation, dedicated to integration of:  
**Aviation, Community and Education.**

**Aviation:** We promote aviation as a basic needed infrastructure as society evolves.

**Community:** Airports are community assets needing careful planning to maximize the value of aviation with community businesses to minimize conflicting or negative growth and planning.

**Education:** To enhance aviation as a vocation, avocation, or for personal development and enjoyment especially with our youth.

**Falcons** are 12-19 year old students with individual educational interests. We expect good grades, a signed waiver flight contract with parents to avoid drugs, alcohol, tobacco, gang activity; and maintain a trusted and moral character. In return, we meet on the 2<sup>nd</sup> Saturday of each month at Rohnerville Airport for education, lunch and flying to illustrate our aviation lessons. We have obtained internet access, weather cameras with EAA Chapter 1418, telecommunications, and flight simulator equipment for Rohnerville Airport facilities, a meeting place, and an aviation historical site (monument).

**Parents:** Participation in Avi8Cando is needed to assist the Falcons' educational, physical and general development. It's the parent's or guardian's job to establish a safe living place and discipline while nurturing the gifts of youth from complete dependence to complete independence. Join and let Avi8Cando help and participate in things every human should develop that can never be stolen or taken away— a good attitude, work ethic, freedom, knowledge and **“a personalized education!”**

**Aviation Enthusiasts, Pilots and airplane owners:**

an opportunity to assist Avi8Cando.
