### **DANIEL JAMES BRADLEY**

**On April 28, 2010, a jury convicted Daniel James Bradley, 29, of McKinleyville, of misdemeanor driving under the influence and driving with a blood alcohol concentration of above .08 percent. The Honorable Marilyn B. Miles presided.**

**On August 22, 2009, Bradley drove to a McKinleyville gas station to purchase beer after having already consumed multiple alcoholic beverages that evening. While on the premises, Bradley was contacted by Humboldt County Sherriff's deputies who happened to be parked at the gas station. After speaking with Bradley, the deputies suspected that Bradley had been driving under the influence. The deputies then handed off the investigation to the CHP. The responding CHP officer conducted a DUI investigation which confirmed the deputies' initial suspicion. Bradley was then arrested for driving under the influence and driving with a blood alcohol concentration of above .08 percent. He was subsequently transported to the Humboldt County Correctional Facility.**

**The case was prosecuted by Deputy District Attorney Ben Mainzer.**
