**The Humboldt County District Attorney's Office is pleased to announce they have received funding through the Midwest Regional Children's Advocacy Center for the continuation of Forensic Interviewer training and peer review. The money will allow forensic interviewers, assigned to the Humboldt County Child Abuse Services, to participate in video conference style case review, peer review and training with other Child Abuse Centers around the Nation.**

**The Humboldt County Child Abuse Services Team (CAST) has the only Spanish speaking forensic interviewer in the five contiguous counties. This funding will allow our Spanish speaking forensic interviewer to discuss cases with other child abuse professionals from around the Nation. This technology will enhance the quality of the local response to child abuse and neglect.**

**Additionally, the District Attorney's Office would invite the local community to view a local video production featuring the CAST team and their efforts to combat child abuse. The video can be viewed on [www.youtube.com](http://www.youtube.com) public television or at [www.archive.org](http://www.archive.org) by searching clothesline project Humboldt County CAST.**
