18730. Provisions of Conflict of Interest Codes

(A). Incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a Conflict of Interest code within the meaning of Government Code § 87300 or the amendment of a Conflict of Interest Code within the meaning of Government Code § 87306 if the terms of this regulation are substituted for terms of a Conflict of Interest Code already in effect. A code so amended or adopted and promulgated requires the reporting of reportable items in a manner substantially equivalent to the requirements of Article 2 of Chapter 7 of the Political Reform Act, Government Code §§ 81000 et seq. The requirements of a Conflict of Interest Code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Government Code § 87100, and to other state or local laws pertaining to conflicts of interest.

(B). The terms of a Conflict of Interest Code amended or adopted and promulgated pursuant to this regulation are as follows:

SECTION 1. Definitions.

The definitions contained in the Political Reform Act of 1974, Regulations of the Fair Political Practices Commission (2 Cal. Code of Regs. §§ 18100 et seq.), and any amendments to the Act or Regulations are incorporated by reference into this Conflict

of Interest Code.

SECTION 2. Designated Employees.

The persons holding positions listed in the Appendix are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on financial interests.

SECTION 3. Disclosure Categories.

This Code does not establish any disclosure obligation for those designated employees who are also specified in Government Code § 87200 if they are designated in this Code in that same capacity or if the geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction in which those persons must report their financial interests pursuant to Article 2 of Chapter 7 of the Political Reform Act, Government Code §§ 87200 et seq.¹ Such persons are covered by this Code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in the Appendix specify which kinds of financial interests are reportable. Such a designated employee shall disclose in his or her Statement of Economic Interest those financial interests he or she has which are of the kind

¹Designated employees who are required to file Statements of Economic Interests under any other agency's Conflict of Interest Code, or under Article 2 for a different jurisdiction, may expand their Statement of Economic Interests to cover reportable interests in both jurisdictions, and file copies of this expanded statement with both entities in lieu of filing separate and distinct statements, provided that each copy of such expanded statement filed in place of an original is signed and verified by the designated employee as if it were an original. See Government Code § 81004.

described in the disclosure categories to which he or she is assigned in the Appendix. It has been determined that the financial interests set forth in a designated employee's disclosure categories are the kinds of financial interests which he or she foreseeably can affect materially through the conduct of his or her office.

SECTION 4. Statement of Economic Interests.

Place of Filing.

The code reviewing body shall instruct all designated employees within its code to file Statements of Economic Interests with the agency or with the code reviewing body as provided by the code reviewing body in the agency's Conflict of Interest Code.²

The department head of each county department is the filing officer for those filers filing as employees of that department head's department. For county boards, committees, councils, commissions, panels, task forces, advisory groups, coordinating councils, corporations, coalitions, and the like that have a "sponsoring department", the department head of this "sponsoring department" is designated as the filing officer.

For county boards, committees, councils, commissions, panels, task force, advisory groups, coordinating councils, corporations, coalitions and the like that do not have a "sponsoring department", the commission/committee secretary is the designated filing officer.

²See Government Code § 81010 and 2 Cal.Code of Regs. § 18115 for the duties of filing officers and persons in agencies who make and retain copies of statements and forward the originals to the filing officer.

(d). Leaving Office Statements.

All persons who leave designated positions shall file statements within 30 days after leaving office.

statement, is not deemed to have assumed office or left office, provided he or she did not make or participate in the making of, or use his or her position to influence any decision and did not receive or become entitled to receive any form of payment as a result of his or her appointment. Such persons shall not file either an assuming or leaving office statement.

(A) Any person who resigns a position within 30 days of the date of a notice from the filing officer shall do both of the following:

- (1) File a written resignation with the appointing power; and
- (2) File a written statement with the filing officer declaring under penalty of perjury that during the period between appointment and resignation he or she did not make, participate in the making, or use the position to influence any decision of the agency or receive, or become entitled to receive, any form of payment by virtue of being appointed to the position.

SECTION 6. Contents of and Period Covered by Statements of Economic Interests.

(a). Contents of Initial Statements.

Initial statements shall disclose any reportable investments, interest in real property and business positions held on the effective date of the code and income received during the 12 months prior to the effective date of the code.

(b). Contents of Assuming Office Statements.

(d). Contents of Leaving Office Statements.

⁴Investments and interests in real property which have a fair market value of less than \$2,000 are not investments and interests in real property within the meaning of the Political Reform Act. However, investments or interests in real property of an individual include those held by the individual's spouse and dependent children as well as a pro rata share of any investment or interest in real property of any business entity or trust in which the individual, spouse and dependent children own, in the aggregate, a direct, indirect or beneficial interest of 10 percent or greater.

2. The name of every person from whom the business entity received payments if the filer's pro rata share of gross receipts from such person was greater than Ten

Thousand Dollars (\$10,000) during a calendar year.

(d). Travel.

When a payment, including an advance or reimbursement for travel is required to be reported pursuant to this section, it may be reported on a separate travel reimbursement schedule which shall be included in the filer's State of Economic Interest. A filer who chooses not to use the travel schedule shall disclose payments for travel as a gift, unless it is clear from all surrounding circumstances that the services provided were equal to or greater in value than the payments for the travel, in which case the travel may be reported as income.

(e). Business Position Disclosures.

shall list the name and address of each business entity in which he or she is a director, officer, partner, trustee, employee, or in which he or she holds any position of management, a description of the business activity in which the business entity is engaged and the designated employee's position with the business entity.

(f). Acquisition or Disposal During Reporting Period.

In the case of an annual or leaving office statement, if an investment or an interest in real property was partially or wholly acquired or disposed of during the period covered by the statement, the statement shall contain the date of acquisition or disposal.

SECTION 8. Prohibition on Receipt of Honoraria.

Prohibition on Receipt of Honoraria contained in the Political Reform Act of 1974, Regulations of the Fair Political Practices Commission, 2 Cal. Code of Regs. § 18730, Section 8, are hereby incorporated by reference into this Conflict of Interest Code.

SECTION 9. Disqualification.

No designated employee shall make, participate in making, or in any way attempt to use his or her official position to influence the making of any governmental decision which he or she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family or on:

(a). Any business entity in which the designated employee has a direct or indirect investment with Two Thousand Dollars (\$2,000) or more;

(b). Any real property in which the designated employee has a direct or indirect interest worth Two Thousand Dollars (\$2,000) or more;

(c). Any source of income, other than gifts and other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status, aggregating Five Hundred Dollars (\$500) or more in value provided to, received by or promised to the designated employee within 12 months prior to the time when the decision is made;

(d). Any business entity in which the designated employee is a director, officer, partner, trustee, employee, or holds any position of management; or

(e). Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating (Four Hundred Twenty Dollars) \$420 or more in value provided to; received by, or promised to the designated employee within 12 months prior to the time when the decision is made.

SECTION 9.1. Legally Required Participation.

No designated employee shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. The fact that the vote of a designated employee who is on a voting body is needed to break a tie does not make his or her participation legally

required for purposes of this section.

SECTION 9.2. Disqualification of State Officers and Employees

In addition to the general disqualification provisions of Section 9, no state administrative official shall make, participate in making, or use his or her official position to influence any governmental decision directly relating to any contract where the state administrative official knows or has reason to know that any party to the contract is a person with whom the state administrative official, or any member of his or her immediate family has, within 12 months prior to the time when the official action is to be taken:

(a). Engaged in a business transaction or transactions on terms not available to members of the public, regarding any investment or interest in real property; or

(b). Engaged in a business transaction or transactions on terms not available to members of the public regarding the rendering of goods or services totaling in value One Thousand Dollars (\$1,000) or more.

SECTION 10. Manner of Disqualification.

When a designated employee determines that he or she should not make a governmental decision because he or she has a disqualifying interest in it, the determination not to act must be accompanied by disclosure of the disqualifying interest. In the case of a voting body, this determination and disclosure shall be made part of the agency's official record; in the case of a designated employee who is the

head of an agency, this determination and disclosure shall be made in writing to his or her appointing authority or the CAO if said head of agency is supervised by the CAO; and in the case of other designated employees, this determination and disclosure shall be made in writing to the designated employee's supervisor.

SECTION 11. Assistance of the Commission.

Any designated employee who is unsure of his or her duties under this code may request assistance from the Fair Political Practices Commission pursuant to Government Code § 83114, and 2 Cal. Code. Regs. §§ 18329 and 18329.5.

SECTION 12. Violations.

This code has the force and effect of the law. Designated employees violating any provision of this code are subject to the administrative, criminal and civil sanctions provided in the Political Reform Act, Government Code §§ 81000 - 91014. In addition, a decision in relation to which a violation of the disqualification provisions of this code or of Government Code § 87100 or 87450 has occurred may be set aside as void pursuant to Government Code § 91013.
