

Election Training

for the November UDEL Election

According to California Elections Code 12309 (b), “A person may not serve as an inspector of a precinct board at an election unless instruction has been received...” Thus, all inspectors are required to attend the School of Instruction before each election. Because of significant changes, we would like to see all poll workers at the training sessions.

All necessary training has been combined into
The New School of Instruction.

You will learn about

- ✓ your duties at the polling place,
- ✓ special concerns at a UDEL election,

and perhaps most exciting, you will learn about and get the chance to operate

- ✓ the **BRAND NEW HART ESCAN** voting machine!
- ✓ Classes will be kept small and you must have a reservation.
