Tom Hofweber
Supervising Planner
County of Humboldt
3015 H Street
Eureka, CA 95501

Dear Tom Hofweber,

This letter is in response to your notice of opportunity to engage in consultation regarding the County's General Plan Update Program, dated February 1, 2007. The Tribe appreciates the County's initiation of consultation on this important planning document. I agree that formally meeting both prior to and following public review sessions is advisable.

The Tribe has particular interest in both the Governance chapter, which deals with the unique government to government consultation process and provisions, and with the sections on cultural resources, including archaeological material culture and traditional cultural properties.

I would be pleased to meet with you and discuss tribal perspectives and recommendations. I can be reached at (707) 733-5055 or by e-mail at cultural@wiyot.us. Please contact me with any questions and to schedule a mutually convenient meeting time.

Sincerely,

A handwritten signature in cursive script that reads "Helene Rouvier". The signature is written in black ink and is positioned above the typed name.
