Subject: Support for Plan A

My husband and I are long time residents, we own property in the city of Eureka; we are responsible for my 95 year old Dad and a 13 year old attending Zane Middle School. We care and we are currently invested in Humboldt County and its (our) future.

Plan A best suits the people who really live/work here; we're the people that don't want to suck the "life's blood" out of our community for personal profit...Yes on Plan A. Thanks.
