**Subject:** support for Plan A

I am writing to let you know that I support Plan A for the general plan. I support a plan that favors a richer quality of life for Humboldt County residents. I live here because of the rural way of life and I appreciate places that have walkable urban centers but to not give way to sprawl and excessive development. I have lived in Humboldt County for the past 10 years and have been deeply involved in the arts and performance community here for much of that time...I moved from Florida which is overrun by sprawl and poorly planned, unsustainable development. Please keep Humboldt County a good place to live and advocate for Plan A.

Sincerely,  
Leslie Castellano
