Tom
Finally got a chance to get back to you.
I think the draft is fine and do not see any changes that I would make. Let me know if you would like an official letter at some point.

Subject: Draft WasteMgt for General Plan

This is what we came up with: some minor reformatting of the policies and objectives just to be consistent with our new general plan format, and two added policies, WM-P12 and WM-P13. Thanks for checking it out.
