

Mr. Will
Arcata
825-7730

After working on tourism as a project for some six years, having a great deal of difficulty contacting the movers and shakers in the County, and promoting tourism as a high employment industry without success, I have concluded that for tourism to be taken seriously it is necessary to establish a special district for the promotion of tourism within Humboldt County.

As presented during a phone call on 6/20/07

per Sharyn Lodus, Planning Commission Secretary
