**HUMBOLDT COUNTY  
PLANNING DIVISION**

**Date:** June 19, 2007  
**Re:** General Plan

Dear Planning Commissioners,

Please approve Alternative A as the best plan for Humboldt County.

Alternative gives us the best chance to preserve the character of the county as a rural, healthy place to live, with great natural resources, beautiful open space, a thriving natural environment, and concern for our cultural resources.

We need compact communities, livable and near the services that people need to live with (water, sewer, electricity, roads) surrounded by open space that includes agricultural and forest land, parks and open space. This is the kind of community people are looking for. We can still accommodate a large number of housing in areas that already have the services, and we should concentrate development and renovation there.

Thank you,  
Nancy Correll
