HUMBOLDT COUNTY
PLANNING DIVISION

To the Humboldt County Planning Commission;

We, the undersigned, are in support of a zoning change in Redwood Valley, from Agricultural to Rural Residential. In the past, Redwood Valley had a thriving community, with a population ranging from babies to great-grandparents. There were Saturday night movies for the community, playmates for the children and pot luck dinners for everyone. At one point there were 70 students in Greenpoint School. Today there are 3 children in our part of the valley and approximately 14 students total at the school. Our area consists of small parcels of about 2 to 5 acres, surrounded by vast ranches and timber holdings. This is an appropriate location to increase the population density. We would like to have more of a community in our neighborhood with the option of a second dwelling for grandparents, caretakers, friends and relatives. It takes people to make a community. Thank you for your consideration.
