MEMO
HUMBOLDT COUNTY
DEPARTMENT OF PUBLIC WORKS
LAND USE DIVISION

TO: Planning Commission

FROM: Robert W. Bronkall, Associate Engineer 

DATE: January 31, 2008

RE: **ADDITIONAL COMMENTS ON THE REVIEW ON THE DRAFT
COMMUNITY INFRASTRUCTURE AND SERVICES ELEMENT
(CHAPTER 7) AND DRAFT CIRCULATION ELEMENT (CHAPTER 8) OF
THE COUNTY GENERAL PLAN UPDATE**

As a follow-up to the Department's January 17, 2008 memo, the following additional comments are offered:

1. The circulation element needs to identify on maps the proposed circulation routes necessary for the orderly build-out of the various communities.
2. These routes should then be modeled into the traffic model to determine what effect they will have on the traffic circulation for the various communities.

The Department looks forward to providing an in-depth review of these documents once the Department's initial comments have been incorporated.
