

## Land Use Element "Town Hall Style" Continued Planning Commission Meeting Humboldt County Draft General Plan - Land Use Element June 11, 2009

The Humboldt County Planning Commission will host a public workshop on the Draft Land Use Element beginning at **5:30 p.m. on Thursday, June 11, 2009** in the **College of the Redwoods Forum Theater, 7351 Tompkins Hill Road, Eureka (Building #16 on the attached map)**. The workshop is the continuation of the April 30<sup>th</sup> Planning Commission meeting, and is presented as a forum for open dialogue between the Commissioners, planning staff, and the public. A format similar to a "town hall" meeting will be used to discuss the draft policies contained in the Land Use Element and the Plan Alternatives.

The purpose of this meeting is to receive public input on the Land Use Element of the Draft General Plan. This meeting follows two staff presentations to the Planning Commission on the Draft Land Use Element. During the **April 16, 2009** Planning Commission meeting, the Plan Alternatives - Key Issues and Comparison Charts for Sections 4.2 (Growth Planning), 4.3 (Urban Lands), 4.4 (Rural Lands) and the Land Use Classifications were introduced to the Planning Commission. During the **April 23, 2009** Planning Commission meeting, the Plan Alternatives - Key Issues and Comparison Charts for Sections 4.5 (Agricultural Resources), 4.6 (Forest Resources) and 4.7 (Public Lands) were presented. Archived streaming of these meetings is available on the Humboldt County Board of Supervisors website, <http://county-internet/board/>.

### **Background on the Plan Alternatives - Key Issues and Comparison Charts:**

The Plan Alternatives - Key Issues and Comparison Charts explain what the major issues are for these sections and list the goals, policies, standards, and implementation measures for Plan Alternatives A, B, C and D in one chart for comparison purposes. Copies are available on the GPU website at [www.planupdate.org](http://www.planupdate.org) and will also be available for viewing at the Humboldt County Library (all branches), Kinkos and the Community Development Services Department front counter. Also available is a "**Users Guide**" that explains the format of the charts and how they will be used by the decision makers in their deliberation process for ultimately adopting a new General Plan for the County.
