Jim Snow, Foreman  
Humboldt County Grand Jury

Dear Mr. Snow:

As Coroner I would like to thank the Grand Jury for their time and service.

I agree with the findings that our lack of adequate office space has the potential for causing an environmental safety hazard in the Coroner's Office.

I have checked with the Mental Health Department next door and they advise they have no extra space to give to the Coroner's office. Other areas of the Clark Complex are either not adequate or not available. Locating space off site is a possibility but this would be inconvenient and adversely impact our budget

It appears this will be a continuing problem for the foreseeable future.

Sincerely

Frank J. Jäger  
Coroner-Public Administrator
