Subject: 2006-2007 Grand Jury Report

Dear Mr. Snow:

The City of Ferndale thanks the Grand Jury for its commitment and service to Humboldt County citizens.

We have the following responses to your Report #2007-LJ-02:

Recommendation One: The City of Ferndale Agrees.

Recommendation Two: The City of Ferndale Agrees, although all officers are not at this time trained, but we will be working towards that. Our officers always have tasers available. As we replace officers it is always a priority with us to put them through training before they use the taser.

Recommendation Three: The City of Ferndale Agrees. Our Police Department currently uses an M-26 taser (very large and unwieldy); we will update to the newest one available, X-26 Taser (\$799 each), as soon as funding becomes available.

Again, thank you for your commitment to our community.

Sincerely,

Jeff Farley, Mayor
