Dear Mr. Snow,

Thank you and the Grand Jury for your commitment and service to our Humboldt County citizens.

Please find herein our responses to your Report #2007-LJ-02.

Finding & Recommendation #1: The City of Rio Dell City Council and Police Department agree.

The Rio Dell Police Department has received the POST training and the Ethical Use of Force training with facilitators and interactive training. Their evaluations are included in the trained officer's personnel record. As per Finding & Recommendation #2: We agree, and in fact, our Peace Officers are trained in the use of Tasers and are required to carry them on patrol.

Again, thank you for your service to our community.

Sincerely,

R. L. "Bud" Leonard

Mayor  
City of Rio Dell
