HumWORKS
Behavioral Health Services

Mental Health & Substance Abuse Treatment
Domestic Violence & Vocational Services
for
CalWORKS Participants

HumWORKS services are designed to empower you to develop the self-awareness and personal motivation needed to make positive and permanent changes in your life as you move toward greater independence. We will assist you in acquiring the skills you and your family need to grow and thrive.

Program services are provided by Licensed Clinicians, Substance Abuse Counselors, Vocational Counselors, and Mental Health Case Managers.

We work with you to plan the services that you need to reach your goals.

We provide a safe environment that supports personal growth and change.

THE MISSION OF *HumWORKS*

The Mission of HumWORKS is to assist our participants in removing barriers to employment by teaching a variety of important life and pre-vocational skills. The use of these skills can open the door to recovery and self-sufficiency.
