Dear Mr. Berkowitz,

The Humboldt County Human Rights Commission commends you and the KHUM staff for your "Stop The Violence" campaign, including the videos you sponsored at Humboldt State University. One of the Commission's functions is to promote human rights education in our community and we are grateful for your contributions. December is Human Rights Awareness Month, and we thank you for your part in increasing awareness of human rights in Humboldt County.

Keep up the good work and let us know if we can work with you in the future on this important goal.

Sincerely,

Byrd A. Loctie, Chair  
Humboldt County Human Rights Commission
