1-HUM-101-100.85  
Moss Notice of Preparation

Michael Wheeler, Senior Planner  
Humboldt County Community Development Services Dept., Planning Division  
3015 H Street  
Eureka, CA 95501

Dear Mr. Wheeler,

Thank you for giving Caltrans the opportunity to comment on the Michael Moss Draft Supplemental EIR Notice of Preparation. Given the restricted scope of the Supplemental EIR, Caltrans will not have project-related requirements as we have no jurisdiction over municipal water supply or the regulation of coastal cutthroat trout. The proposed Minor Subdivision is not expected to have an impact on highway facilities.

If you have questions or need further assistance, please contact me at the number above or contact Alyson Hunter of District 1 Transportation Planning at (707) 441-4542.

Sincerely,

Leishara Ward

Associate Transportation Planner  
District 1 Office of Community Planning
