One worker may perform functions for several programs, and that person's salary and benefits would be divided among those programs for funding according to how much of the person's time is spent for each program. For example, a person who devoted 3 days of work per week to one program would be assessed against that program as 0.6 (24 hours divided by 40) FTE.

For example, for the majority of welfare aid payments the County must match every 95 state dollars they receive, with 5 dollars from the County's General Fund.

The assessed value of property is capped at the 1975-76 base year rate plus inflation – or 2 percent per year.

PROPOSED BUDGET: The working document for the fiscal year under discussion. Approval of this document does not allow expenditures for new programs or fixed assets unless there is specific approval of an item by the Board of Supervisors.
